

Directions – Villa Kolibri Ubud

1. Go to Jln Raya Ubud Heading towards the big statue on Jln Raya Andong from the centre of town (where Ubud Markets are)
2. Take this road. (Jln Tirta Tawa). You will see a big green sign and a smaller blue sign for 'Guardian Pharmacy' just before this turn off It is only a small road so you will miss it if you are driving too fast.
3. If you are coming from Jln Raya Andong, obviously look for these signs on your right.
4. Keep going down this road through all the small villages for about 3 kms.
5. You will then see a clearing on the right hand side with 3 white houses called 'Rumah Jempiring'. Look out for this.
6. Slow down as very soon after that (around 150 mts) and just past the sign for 'Jung Junang' on the left of the road (very small so keep a look out for it!), you will see Villa Kolibri in the rice fields on the right.
7. See our photo on the website so you can visualize it.
8. We have an off road parking area for the car.

Drivers from out of Ubud do not always find their way easily! We recommend taking a copy of this map and directions with you if our driver is not picking you up.
